

2021 West Georgia Speedway Rulebook – General Rules

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events, and by participating in these events, all participants agree to comply with these rules. NO EXPRESS OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATION OF, OR COMPLIANCE WITH, THESE RULES AND/OR REGULATIONS. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator, or official.

West Georgia Speedway officials shall be empowered to permit minor deviation from any of the specifications herein, or impose any further restrictions that, in their opinion, do not alter the minimum acceptable requirements. NO EXPRESS OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM SUCH ALTERATION OF SPECIFICATIONS. Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final.

West Georgia Speedway is private property. Any person on this property without the permission of West Georgia Speedway is guilty of trespass and subject to the penalties prescribed by law. Through your registration or association, you have been given the authority to be on this property in conjunction with racing activities. However, West Georgia Speedway management reserves the right to revoke or cancel this authority at any time that is felt your presence or conduct is not in the best interests of the sport of auto racing, your fellow competitors, the fans, management and/or the employees of the raceway.

TRACK REGISTRATION

1. Cars may not race in more than one class per race night.
2. It will be the responsibility of all drivers/teams to sign in and pay their entry fees prior to the drivers' meeting. Sign in will be conducted at a designated location. ONLY a driver or crew representative shall be allowed to sign in the car that is at the track prior to cut off. West Georgia Speedway officials may draw for drivers/teams not present at the track under exceptional circumstances beyond the control of West Georgia Speedway officials or the drivers/teams being signed in. The pill draw will be closed once the drivers' meeting is started.
3. Each driver must read and must decide if he or she is going to sign the tax registration form and the competition and enforcement portion of the registration form to be eligible to compete in a West Georgia Speedway event. By doing so, the driver understands that the rules and enforcement calls and decisions of West Georgia Speedway are final.
4. PLEASE NOTE: By Entering, Qualifying and/or Racing in a West Georgia Speedway event, you are accepting these Rules as those under which you are prepared to race.
5. It is a condition of entry that the Drivers' Registration Form is completed and handed in prior to the Driver's first race of the season. If a Driver changes cars or teams during the season, it is his/her responsibility to re-register. It is also the responsibility of the driver/team to fill out a Sponsorship Registration Card upon sign-in. These cards will be used for the announcement and publication of sponsors throughout the season. If there is a change in sponsorship, it is the driver's/team's responsibility to notify West Georgia Speedway officials.

RAIN-OUT POLICY

Once a feature event is completed within any division after any qualifying has been completed, the racing program will be considered a complete show. Divisions not completing a feature event that evening will run a double feature program the following week, or as West Georgia Speedway officials determine best scenario to make up.

- The first feature will be run according to the line-up for the rain date or at the point the feature was halted.

2021 West Georgia Speedway Rulebook – General Rules

- The second feature will be run according to the blind draw held at the pit window prior to the new night's event start.
- There will not be any qualifying events on double feature nights for the divisions running two features. Points and prize money will be issued for both features.
- There will be NO REFUNDS OR EXCHANGES DUE TO RAINOUTS.
- In the event that the following week is a scheduled special event, changes may be made to this policy to accommodate different sponsors and situations beyond our control.

PROMOTIONAL RELEASE

Any competitor who wishes to compete at West Georgia Speedway during any race event or promotional event, consents to the use of their name, pictures of themselves and their race car, video of themselves and their race car for publicity, advertising and endorsements both before and after the events, and relinquishes any rights to photos or videos taken in connection with events and consents to the publication or sale of such photos as the raceway so desires.

GENERAL RULES

The general rules apply to each and every driver, mechanic, and/or pit personnel. Some items, obviously, may not apply to each class – it should be easy determine which rules do not apply to you.

YOU ARE EXPECTED TO KNOW THE RULES – IGNORANCE IS NOT AN EXCUSE.

TRACK SAFETY

1. Every driver should inspect the racing surface, and the race track, to learn of any defects, obstructions, or anything which, in their opinion, may be unsafe, and report any such condition to West Georgia Speedway officials in writing, if found.
2. All drivers participating in any racing event are believed to have inspected the track and found all conditions satisfactory. If not, they should not race.
3. The participant further acknowledges that he/she is cognizant of the inherent risks associated with auto racing and assumes such risk with full knowledge and understanding.

QUALIFYING

Drivers will receive two (2) laps on the clock, unless a penalty was issued. The first lap begins at their first crossing of the start line. After the driver completes their second lap and receives the checkered flag, they must exit the raceway immediately at the back stretch pit entrance – another qualifier is coming *FAST*. Failure to exit track after the completion of the two lap effort will result in the loss of their fastest lap and they will be scored according to their slowest lap. Unless, group qualifying is used .

2021 West Georgia Speedway Rulebook – General Rules

RACE STARTS

1. The green flag starts the race. Drivers are expected to remain in nose to tail, side by side formation until the drop of the green flag, as determined by the raceway starter. Jumping the start (moving out of line before the flag) will be considered a penalty and the offending driver or drivers will be penalized.
2. In the event of a caution before the first lap is completed, the field will be lined-up for a complete restart in the original grid order, provided there are no penalties to be assessed. If a driver goes to the pits while under caution or red flag, they must go to the rear of the field for the restart.
3. No jack rabbit starts or laying back.
4. Cars must be lined up in starting position in staging area before completion of previous race. If you are not lined up in position before the completion of the previous race, you are late and you WILL start at the rear of the field. There will be a Pit Official in the staging area to make this decision.

DOUBLE FILE RESTARTS

1. All divisions, unless otherwise noted, will use the double file restarts.
2. When a caution flag occurs after the first lap is complete, the cars will line back up single file. Once officials determine all cars are in the proper position, the signal will be given to the field and the leader will move to the front row alone, while the rest of the field will line up as they were running – 2nd place to the inside, 3rd place to the outside, and so on.
3. On double file restarts, the leader starts the race in the center of turns 3 and 4. Cars may not lay back in an attempt to get a run on the cars in front of them.
4. Any car that is judged to be jumping the start will be penalized two spots from where they were originally placed for the restart. If the same car is judged to be jumping a second time in the same race it will be sent to the rear of the field.

FLAG RULES

1. Green: Start of race.
2. Yellow: Caution – wreck or debris on track. Slow down; follow the car you were behind on the last lap. Do not race back to the start/finish line.
3. Red: Emergency – STOP as quickly and safely as possible. Do not pass the flag stand when this flag is displayed. Failure to stop when the red flag is displayed will result in a one lap penalty or disqualification.
4. Blue/Yellow: You are about to be lapped; move to the outside immediately.
5. Black: Consultation – pull into the pits to receive instruction from an official.
6. White: One lap to go.
7. Checkered: The race is over. Safely return to the pit area.

PROTEST

1. All protest and claims must be filed in writing with the tech inspector within 5 minutes of race winner crossing scales.

2021 West Georgia Speedway Rulebook – General Rules

2. Must finish in the top three and be on the lead lap to protest. May protest any top three finishers. Protested driver will have the right to protest the car that filed the original protest. A 5 minute time limit will apply after the inspector notifies the protested driver.
3. Refusing to teardown, you automatically forfeit all prize money and points for that race.
4. If you teardown and are found illegal you automatically forfeit all prize money and points for that race and you will be placed on probation for the remainder of the season.
5. Teardown time 2 hours maximum from the time the inspector gives permission to start. If more than one item is protested inspector may allow extra time for teardown.
6. Protested car may have three people in the pin at teardown. Two to teardown and the third being driver, owner or representative. Protesting driver may have one being driver / owner or representative. All persons in the pin will conduct themselves in a sportsman like manner. If not, inspector can and will call off protest, disqualify, or bar persons that do not behave accordingly.
7. The moment teardown or inspection begins track will retain 20% of all protest fees regardless of the outcome. If driver refuses to teardown, the driver that filed the protest will be refunded 100% of his or her money. If protested driver is found legal, he or she will receive 80% of money filed by protesting driver. If the car is found illegal, the protesting driver will be refunded 80% of his or her money.
8. Inspector's discretion will be utilized in determining cars legality – ruling will be FINAL.
9. During teardown all oil and antifreeze must be drained into an approved container, located in the center of pits. Anyone caught dumping oil or antifreeze on the ground will be suspended.
